[\*Young CPA representative to ASCPA Board of Directors]

“The Alabama Society of CPAs is fortunate to have such dedicated volunteer leaders who willingly give their time and talents to support issues that affect Alabama CPAs,” said ASCPA President and CEO Jeannine P. Birmingham, CPA, CAE. “We are pleased and honored that these exceptional individuals have committed their time to serve the CPA profession and we look forward to a successful year ahead.”

*The Alabama Society of Certified Public Accountants (ASCPA) is the statewide, professional membership organization representing over 6,500 Alabama CPAs in public practice, industry, government and education. CPAs are business and financial professionals who have passed an examination in order to be licensed by the state. CPAs are committed to protecting the public interest, and must adhere to stringent ethical and professional standards and continuing professional education requirements.*
